ABOUT THE FELLOWSHIPS

The Honor Society of Phi Kappa Phi currently awards 40 Fellowships of \$8,500 each, six at \$15,000 each, and two at \$35,000 each to members entering the first year of graduate or professional study. Each active Phi Kappa Phi chapter may select one candidate from among its local applicants to compete for the Society-wide awards.

Established in 1932, the Fellowship Program annually provides funding to first-year graduate students who are pursuing post-baccalaureate degrees across all academic disciplines. Endorsed by their local chapter, Phi Kappa Phi Fellows go on to study at some of the nation's top graduate schools.

SELECTION CRITERIA

Selection is based on the applicant's promise of success in graduate or professional study, including academic achievement, service and leadership experience, letters of recommendation, work sample, personal statement and career goals, and acceptance at an approved graduate or professional program.
