# LITERACY GRANTS

## UP TO \$2,500

### ABOUT THE GRANTS

The Literacy Grants program was initiated to mobilize members and resources of Phi Kappa Phi and the higher education community to champion literacy initiatives. Grants of up to \$2,500 are available to Phi Kappa Phi chapters and individual members to fund ongoing literacy projects or to create new initiatives. The Society's commitment to the cause of literacy grows out of and is consistent with its mission, which was expanded to include "...and to engage the community of scholars in service to others."

### HOW TO APPLY

Go to [PhiKappaPhi.org/Literacy](https://PhiKappaPhi.org/Literacy) to access an online application and review submission instructions.

### DEADLINE

All materials must be submitted through the online portal on or before **APRIL 1**.

### ELIGIBILITY

Open to campus chapters and active individual members for projects relating to literacy.

Members should feel free to consider literacy either as a basic skill to be taught to those in need or as a set of expanded skills including math, computers, and more.

Chapters or individual members may consider either starting a literacy project on campus or in the community or contributing in some way to an existing literacy project. Duration of the project may be either short-term, a one-time activity, or a longer ongoing series of activities. Please refer to the Literacy Grant page on our website for suggestions on the range of possibilities that may be considered.

### SELECTION CRITERIA

The definition of literacy should be considered broadly. Proposals may be for new projects or for support of existing projects. Project directors must be active Society members. Target groups may include children to adults. Budget can be used only for supplies and materials, publicity, postage, etc. No salaries or stipends included.
